Orion Publishing Co, United Kingdom, 2017. Paperback. Condition: New. Language: English. Brand new Book. 'No one would have believed in the last years of the nineteenth century that this world was being watched keenly and closely by intelligences greater than man's.' So begins H. G. Wells' classic novel in which Martian lifeforms take over planet Earth. As the Martians emerge, they construct giant killing machines - armed with heat-rays - that are impervious to attack. Advancing upon London they destroy everything in their path. Everything, except the few humans they collect in metal traps. Victorian England is a place in which the steam engine is state-of-the-art technology and powered flight is just a dream. Mankind is helpless against the killing machines from Mars, and soon the survivors are left living in a new stone age.
